

Welcome to Elite Dance & Theatre Tuition Ltd

We are delighted you have chosen Elite Dance to begin your dance journey!

Elite Dance teaches the foundations of dance technique, and provides an educational and stimulating environment where your child can flourish.

Our teachers are fully trained, insured, DBS checked and hold first aid certificates.

Elite Dance is registered with, and offers examinations accredited by, the Imperial Society of Teachers of Dancing (ISTD) and International Dance Teachers' Association (IDTA).

*“A Dance teacher helps their students to find
the song in their heart, the beat in their feet and the passion for life”*

We love to show you our talent! Elite dancers take part in a variety of community events each year, and every class performs at the Annual Showcase in the spring term. We hold an Annual Performance & Awards Ceremony to celebrate the achievements of each student. These events really increase the confidence and self-belief of our students, and are a great opportunity for you to see how much they have progressed.

Please read our Welcome Pack online before enrolling your child.

We treat your personal information seriously. Please see our Privacy Policy for details of how we process the information you provide to us on enrolment.

Find these documents on our Policies & Information page at www.elitedancebicester.co.uk or request a printed copy from the office.
